Dear Friend in Soccer:

The Cleveland Whitecaps booster club is a non-profit organization of parents that operate for the benefit of a group of very talented young soccer players. The soccer club has been operating for over 10 years and has helped build individuals on and off the field in many ways. In addition to playing competitively on a year round basis, our athletes and families have opportunities to compete and travel regionally, nationally, and internationally. The club consists of approximately 250 families, and interacts on a regular basis in a league of approximately 3000 soccer families.

We are currently planning our annual raffle fun(d)raiser to be held on April 30, 2010, to help raise funds for our annual awards, team and club events and year end outings. Would you consider making a donation to support these young athletes? Your Donation will be prominently displayed at our auction and your business will be advertised in our promotional handouts and in the evening's program as well as on our club website. Our member families will be encouraged to support your business, and I am certain you will find new customers as a result of your involvement.

Enclosed please find a donation and an advertising menu, and information about our club and for the raffle. Please complete and return the form to us with your donation and ad to the address or email above, and keep one copy for yourself for tax purposes. If you would like for someone to pick up your donation, please make that note on the form. If you have any specific questions or concerns, please contact me at \_\_\_\_\_ or at [clevwhitecaps@msn.com](mailto:clevwhitecaps@msn.com).

The deadline for advertising at our upcoming Fun(d)raiser is April 23<sup>rd</sup>, 2010. Thank you in advance for your generosity and consideration. I can assure you that all of your contributions and the funds raised will be helping our athletes fulfill athletic and personal dreams, as well as promoting teamwork through sports!!

Sincerely,

Mike & Grace Sweeney &
